

The God who Speaks Campaign – Discernment across our dioceses.

Who shall separate us from the love of God? Shall tribulation or distress or persecution or famine or nakedness or danger or sword? Romans 8:35 (ESV)

We pray that you, your families, friends and communities are all well and coping at this challenging time.

Pope Francis' Prayer to Mary during the coronavirus pandemic

O Mary,
 you always shine on our path
 as a sign of salvation and of hope.
 We entrust ourselves to you, Health of the Sick,
 who at the cross took part in Jesus' pain, keeping your faith firm.
 You, Salvation of the Roman People,
 know what we need,
 and we are sure you will provide
 so that, as in Cana of Galilee,
 we may return to joy and to feasting
 after this time of trial.
 Help us, Mother of Divine Love,
 to conform to the will of the Father
 and to do as we are told by Jesus,
 who has taken upon himself our sufferings
 and carried our sorrows
 to lead us, through the cross,
 to the joy of the resurrection. Amen.

Under your protection, we seek refuge, Holy Mother of God. Do not disdain the entreaties of we who are in trial, but deliver us from every danger, O glorious and blessed Virgin. Amen.

The God who Speaks Campaign National Planning Team invitation

We'd like to update you on how we're responding to the present situation, to assure you of our continued campaign momentum, and to ask for your participation in joint discernment.

This global crisis may become the most significant element of our campaign as we reflect on this year's turning point for everyone in England and Wales.

It therefore provides us all with a unique opportunity to:

- a) Listen to the God who Speaks in a profoundly radical way.
- b) Deepen our faith in God and in each other through increased Scriptural reflection.
- c) Build on our relationships across all dioceses and create a renewed Church community together spiritually and scripturally.
- d) Explore, learn and be more creative in the use of all digital media, reach people in new and dynamic ways, and maintain good communication with local Scripture Champions.
- e) Enable more Catholics to listen to the God who Speaks throughout the Bible at all times and in all places, and not just in a crisis or in 2020.

With these opportunities in mind, we would like to suggest the following between now and Easter Sunday:

For God to speak to us and to enable us to listen deeply at this critical time, we invite all dioceses to begin a focused period of Scripture reflection and prayer for each other beginning on the Feast of the Annunciation – 25th March until Easter Sunday - 12th April.

25 th March > Period of discernment>>>	
25 th March – 12 th April > Daily Prayer with the God Who Speaks.	13 th April – 13 th May > Period of feedback and sharing.

As England will be re-dedicated to Our Lady on 29th March, and Mary was the first person to hear the Word and ponder many things in her heart, she remains our perfect model.

Pope Francis in his most recent Scriptural Letter, *Aperuit Illis*, states that Mary not only gave birth to the Word but kept the word in her heart. This idea of *keeping the word in our hearts* no matter where we are or whatever is happening, is central to our campaign.

15. Along our path of welcoming God's word into our hearts, the Mother of the Lord accompanies us. She is the one who was called blessed because she believed in the fulfilment of what the Lord had spoken to her (cf. Lk 1:45). Mary's own beatitude is prior to all the beatitudes proclaimed by Jesus about the poor and those who mourn, the meek, the peacemakers and those who are persecuted, for it is the necessary condition for every other kind of beatitude. The poor are not blessed because they are poor; they become blessed if, like Mary, they believe in the fulfilment of God's word.

A great disciple and master of sacred Scripture, Saint Augustine, once wrote:

"Someone in the midst of the crowd, seized with enthusiasm, cried out: 'Blessed is the womb that bore you' and Jesus replied, 'Rather, blessed are they who hear the word of God and keep it'. As if to say: My mother, whom you call blessed, is indeed blessed, because she keeps the word of God. Not because in her the Word became flesh and dwelt among us, but because she keeps that same word of God by which she was made and which, in her womb, became flesh" (Tractates on the Gospel of John, 10, 3).

By spending some time each day from **25th March – 12th April** asking God to speak to us more deeply, we're confident that new discernment will begin to emerge for our campaign.

While we are already committed to Lenten reading, prayer and reflection – this isn't designed to be an added burden. We wish to infuse all that we already offer in prayer with an intent to listen to God speak to us all more pro-actively in the light of this new crisis.

Feedback process

We'd like to welcome feedback about emerging *God who Speaks* themes from 13th April - 13th May inclusive. This feedback will shape our next phase with the campaign.

If we trust in God and the Holy Spirit to guide us through this crisis, ask Mary to protect us, and be accompanied by Jesus as he journeys to his death and resurrection, then there will be many fruits for us to share this year and beyond.

25th March > Period of discernment>>>

25th March >
Daily Prayer with the God Who Speaks.

13th April – 13th May >
Period of feedback and sharing.

It's important that we do not suggest specific questions for you to answer during this discernment period, rather that we allow God to speak and we make time to listen well.

This feedback can take the form of:

Ideas, comments, key words or sentences, images, music lyrics, short videos or podcasts, short paragraphs and verses that are significant in your discernment.

Please do not send in tracts, sermons, essays or very long reports on what God has said.

We want to remain flexible to the overall themes that emerge rather than re-create homilies or spiritual guides at this particular time.

Please email your feedback to Fleur on fleur.dorrell@biblesociety.org.uk from 13th April – 13th May inclusive.

Fleur will collate all the feedback to share with the 2020 Planning Team first. After we've looked at all the feedback, we'll share this information with you promptly. In this way we'll continue to discern the next stage of our Campaign journey together, and in the light of what God is saying to us all throughout this Coronavirus crisis.
