

SJOG HOMES FOR UKRAINE

Would you be willing to open up your heart and home, and welcome individuals displaced by the unnecessary war in Ukraine?

Saint John of God Hospitaller Services in partnership with Caritas Social Action Network are offering a **matching, training and support** programme for hosts and displaced individuals under the Homes for Ukraine Scheme.

Why SJOG Homes for Ukraine? We provide:

- Matching of hosts with guests to your requirements
- Mediating first e-meetings between you and your guest
- Toolkit for you and a Welcome book for your Ukrainian guests
- A 'belong box' for your Ukrainian guests upon arrival
- Online training about the hosting process
- Transfer from the Poland-Ukraine border to London
- Support during the first month of placement
- Rematching service

After months of the brutal Russian war in Ukraine, the number of people fleeing the war and in need of shelter remains high and will continue to rise as winter is fast approaching.

If you are willing to share your space with those in need of a safe place, you can register your interest here:

We invite you to join our online information sessions about the programme:
