

Pax Christi Resources for PEACE SUNDAY 14 January 2024

New! Prayer card focusing on Artificial Intelligence and Peace (Pope Francis' chosen theme)
Pack of 50 **£3**

God our creator and sustainer,

We thank you for the gifts of creativity you have given for the ability to explore science and understand your creation.

We ask your forgiveness for the times we have used science for evil and not for good, for war and not for peace.

Make us vigilant as we develop technology, that violence and discrimination may not take root, that injustice and inequality will not be fuelled, that the poor and vulnerable will not pay the cost.

Keep us alive to the dignity of every person, remembering that we are made in your image for relationship with you and each other. May all that we create contribute to peace and justice.

Amen
